Toastmasters International District 69 Active Clubs

This is a record of the District 69 Clubs active at the time of publishing, in numerical then alphabetical order. Some recently suspended clubs may be left in for now.

In 1976, the first Historian Ted Burton was appointed, and most subsequent years had historians which has enabled all of these records to be kept intact. Particular mention must go to Clare Murphy who was the District Historian for 14 years and Barrie Fuller for 8 years.

Great care has been taken to ensure these records are correct, however any notification of errors or omissions would be welcomed so that the records can be corrected. Please email historian@toastmastersd69.org

Some of these attended Advance's 20th anniversary dinner in 1987.

Former member Ron Redman, former Police Commissioner attended the anniversary function.

Gordon O' Connor was the initiator of the new club. The club was chartered in 1967 and was an off shoot of Brisbane Central Toastmasters Club which had become overcrowded. Brisbane Central Toastmistress Club and Advance held a joint Charter Dinner at Mt. Coot-tha Kiosk on 29th July 1967. The presidents of the two clubs were Rhona O'Donovan and Mervyn Sugars.

The members who joined the new club were those who had completed all the steps in the BASIC Trainer and a number who were well advanced in it.

Whereas Central Club met weekly at the Canberra Hotel, Advance met fortnightly. A drive for new members initially met with a slow response and for a number of months this was a small club. With time we attained a membership of a respectable number.

Members of the new club acknowledged their responsibility to Central Brisbane Club by returning to act as master evaluator. This custom continued for some twelve months.

THE FOUNDING OF A TOASTMASTER'S CLUB

It would be an interesting – though impossible – exercise to calculate just how many people have passed through Adventurers Toastmasters in the forty years of its existence. I propose to look at some of these people –and events – all of whom in their time, constituted 'the Club'.

JOANNA VAN DER MARK (ATM)

HOW DID OUR CLUB BEGIN?

1972. The ADVENTURERS Club, then at Byres Street, Newstead. One of its members – Gerry Moedt, spoke to us about Toastmasters, of which he was a member. A Toastmasters Club at Adventurers? Sounded like a great idea.

Who were those Adventurers from which Adventurers Toastmasters was born? It was active from 1968 until the early eighties, sporting in its heyday a membership of around 500 people. It offered its members social nights, training courses such as scuba diving and camping weekends to beach or bush. (In today's climate of strict regulations and 'duty of care' such a club could never have come into being). However, its members did enjoy themselves. Run by Bill Atkinson and Win Henderson, this thriving organization offered something to nearly everyone. A great launching pad for a Toastmasters Club.

ADVENTURERS CHARTERS

Our meetings commenced in February 1972 and at first were held under the house of President Gerry Moedt at 15 Wallaby Street, Toombul.

Enthusiasm was such that the Club was able to charter – with 32 members – in August 1972. This rapid birth was due in no small part to the determination and forceful personality of our first president, who set high standards of achievement for all.

The Charter Party at the Homestead Hotel was attended by 300 guests. It brought some nervous moments for organizer Don Chapman. Only a handful of people had registered – and with everything booked would there be a financial disaster? No! On the dot they flocked in, eager to join the fun. Such were our carefree early days!

A CLUB WITHIN A CLUB

In September 1972 the Club transferred to the premises of the Adventurers Club, located at Annie Street, Kangaroo Point, (later the Brisbane Jazz Club). This was to be our home for the next two years.

Most of our Charter members were also actively involved with the Adventurers Club. Charter members such as Don Chapman, Peter Bremner, Andi King Koi and Ron Wall often organized the weekend camping trips (and came to Toastmasters on Mondays!) Bill Atkinson and Win Henderson also joined. This common Adventurers Club membership did much to augment the bond between early members.

Adventurers Toastmasters was in a position not dissimilar to that of a company-sponsored club – grafted onto the Adventurers Club, it flourished.

EARLY DAYS AT OUR CLUB

The Adventurers Toastmasters which I joined in September 1972 was vastly different from today's Club. Things were very informal; refreshments consisted of wine and cheese – to hand throughout the meeting. Tables were set out horseshoe-wise.

Except for President Gerry, all of us were completely inexperienced. Initially, I was under the impression that Toastmasters had but one speech – 'The Icebreaker'. Then suddenly, people started doing Project 2 – 'Establish Your Purpose'.

General Evaluators came to us from established clubs. This was normal practice with newly chartered clubs. One was Lionel Fifield, a future (1976) District Governor and founder of the Brisbane Relaxation Centre. He commended our enthusiasm but hinted that a little more formality might not go astray.

Our first Change-over Dinner, at the Spanish Room of the (since-demolished) National Hotel was attended by 40. Peter Bremner was the incoming President. Five members were heading off on an Overland-to- London trip sponsored by Adventurers.

A Club Newsletter – Champagne Bubbles, with Editor Joanna, appeared.

Reliable sources had it that one high in the "Queensland Toastmaster" hierarchy forecast a life expectancy of about six months for this brash new club which even admitted – heresy most dire – women.

INFILTRATION BY THE FAIRER GENDER:

The position of women in Toastmasters in the early seventies was still ambiguous. Officially, intending members had to be over 18 of good character – and male. In early 1973 we discovered that when a club was sponsored by an organization open to both genders, the resulting Toastmasters Club had to be open to ALL members.

We were thus officially registered as a mixed club, and the earlier practice of submitting women's applications under masculinized names ceased. Sleight of hand perpetrated in 1972 included Caroline's application naming her 'Carlos', Lorely became 'Lorey' and Joanna was subjected to the

outrage of 'Joh' (a name prominent in state politics). Even in mixed clubs however, women could NOT be elected President.

Nor could they take part in speech contests above club level – as women could not compete at Area Contests.

The situation was fast approaching the absurd because of the ever-increasing number of women involved. Toastmasters International remedied this situation in late 1973. This required an amendment to the Constitution of Toastmasters. Even after this change, we still took some by surprise – one visitor from an all-male club saw fit to compliment Adventurers on its many 'lady-visitors'. He looked quite taken aback when it was pointed out that the ladies were (legal) members. At that stage in Brisbane, only Adventurers, DC Club and Endeavour admitted women.

ANOTHER FIRST – A WOMAN AS PRESIDENT

The Change-over Dinner at Mayne Ten Pin Bowling Club in December 1973 took the format of a Hawaiian Night. A 2-course meal including wine, for \$3 a head.

Our third President was Lorely Wells (later Hodges). According to our information, this was the first time ever a woman was elected to lead a Toastmasters Club. On the 4th of April 1974, Carline Walne (Hamilton) became the first woman to represent the club at an Area Main Speech Contest – she ran third.

A NEW HOME – THE EMBASSY ((1974 to 1995)

The club was now approaching its second birthday. Happy though our time with the Adventurers had been, the consensus was that the time had come to take an independent position. Popular though the wine-and-cheese nights were, we now sought to attract members from a strata broader than any one club. This required a neutral venue.

A number of options were explored, leading to the selection of the Embassy Hotel and a more formal Dinner-meeting setting. Regretfully, this meant the complete severance of our link with the Adventurers –only the name remained. Advertising on their premises and in their magazine however, had to cease.

The first meeting in our new venue was the second Charter Anniversary on 19/8/1974. We had embarked on a new direction – and ahead lay some remarkable achievements.

HAPPY EARLY DAYS

We were a young club in the mid-seventies. Weddings – some between members, were not infrequent. Kevin and Carol, Caroline and Chris, Don and Robyn, Peter and Louise, Chris and Jenny...and later newsletters announced the arrival of small bundles of joy....

Our social calendar was also full: a pig-roast at Lorely's attracted seventy people, a 'bring a friend night' was well attended, with a 'Wine and Cheese' night at Ron's attracting eighty. A 'Bier, Brot & Wein' also proved popular.

Members were reminded to pay their semi-annual dues - \$6. Expensive then! Members were encouraged to visit other clubs, and visitors came to us from clubs – some still here, some long-gone – Brisbane Central, Endeavour, MDI, Boomerang, Legal and General...Most of these clubs were then all-male.

ROUND-UP AT ROCKY – CONVENTION – May 1975

A chartered plane flew to Rockhampton with a load of Toastmasters – including thirteen Adventurers. A memorable weekend. A reception team clad in yellow-fringed jackets and cowboy style hats. The Civic welcome by the mayor – oops, several of us followed one who knew the way – ending up not at City Hall, but the Post Office.

The newly-built Leichhardt hotel – not quite completed. One suite booked by Adventurers could be reached only through an unlit passage littered with building paraphernalia...it became known as the 'Bats Cave' and was the venue for the late-night parties...who needed sleep?

Practical jokes – on Saturday night some of our number decided on a quiet game of cards. This ultra-modern hotel had neat little card rooms – also used as lifts.

Card-tables and chairs were soon found – and the players swung into action. Concentration was somewhat impeded by people who insisted on opening and shutting doors – on different floors. Management finally emerged and suggested a card venue more conventional – although players were requested to hold their position for a photo...

There was some serious stuff – Adventurers won the Travel Gavel for most members attending and was second in the Distinguished Club Plan. Adventurer Val ran second in the Humorous Speech Contest and Lorely was Outstanding Area Governor...the following year she was appointed Divisional Lieutenant Governor.

CONVENTION 77 – HOST CLUB ADVENTURERS

Held at Lennon's Plaza Hotel 13/14/15 May 1977. This was also a REGIONAL Conference – comprising Districts 69, 70, 72, 73.

The Club was now in its 5th year – and its strength and maturity is indicated by the decision to host District (and Regional) Conference. Our tender for this event had been accepted at the 1976 Convention – and it had been 'Action Stations' ever since.

Convention Coordinator President Kevin Blunt had in 1976 already organized sub-committees – each with a specific task – finance, hospitality and promotion, thus giving the incoming 1977 Committee a sound basis to work on. Don Chapman, the incoming President, was Convention Chairman.

Costing was \$55 for the package with a \$10 Early Bird discount. Registrations came in fast and furious unlike previous Conventions, Adventurers made a modest profit. The inclusion of Alka-Seltzer in the Sample Bags drew some comment! New was the use of name tags colour-coded to package taken. Sore hands for Dymo-operator Jock Elliott! Meals were magnificent, with a special mention of the 'Bombe Vesuvius' at the District Governor's Banquet.

Adventurers – busy or not, took part in all Speech contests, Ted Mathew running third in the International, and Bob Bimrose second in Impromptu. Some excitement preceded the Inter-district Contest following the banquet – the New Zealand winner arriving with just minutes to spare – a near-victim of a traffic-controllers strike.

Adventurers were now recognized as one of the strongest clubs in District – a position we were to hold for many years. However, it also was a time when a number of our foundation members decided to turn to pastures anew, and new members joined us. Still, the essential quality of the club and its tradition of high achievement remained.

A DECADE OF ACHIEVEMENT

1977: Following Convention, a period of comparative quiet set in. Caroline Walne and Joanna van der Mark became the first Adventurers to achieve CTM status – on the original fifteen speech manual.

1978: An active year. A pool-side BBQ at Ron's, a demonstration meeting at Kangaroo Point Adventurers. The Change-over dinner featured a mock trial on street-marches.

1980: Past President Don Chapman won the Main Speech Contest at Townsville – subject the Original Anzacs. Jo van Zuylen was appointed District Secretary for 1980/1

1981: Margaret Brennan appointed District Secretary 1981/82.

1982: Joanna van der Mark became the Club's first ATM (Able Toastmaster) then the second highest honour in TM, followed By Barbara Fritz (19985) and Bob Bimrose (1986).

1983: Membership reached an all-time high of forty-plus. Many members attended District Convention at Cherribah resort. Jock Elliott won Humorous.

October saw a delightful social event: the 'Serendipity Playhouse' organised by Jock – at the Schonell Theatre, St. Lucia University. Several clubs participated, presenting mime, melodramas, jokes and skits, followed by a Chicken and champagne supper, (\$9)!

1985: In April, most of the club 'took off' for another weekend at Cherribah. We tried out the golf course. Indulged in some rock climbing and took a trip on the tractor to a BBQ.

CONVENTION 87 – HOST CLUB ADVENTURERS

Held at Brisbane City Travelodge (Transit Centre) 1st-4th May 1987. Little doubt as to immediate priorities that existed in the minds of the 1987 Executive – coming up after a ten-year interval, another Convention to plan! A package offering 'Early Bird' Registration at \$89 (\$99 for the late birds).

'Toastmasters is all about Training' was the theme for our second Convention. Posters of trains were displayed throughout the venue, with a further slogan – Presentation, Polish, Performance'. The 'training' theme was taken into the program – Saturday night dinner was in the Stradbroke Dining Car, followed by 'The Railway Fettle Ball'.

'Presentation, Polish, Performance'. The opening Ceremony, Saturday lunchtime, was performed by Past District Governor Russ Walkington (ATM). A busy weekend for Club Members, most of whom stayed overnight in the Hotel. Something different – a car rally on Monday to Bardonia Professional Centre for a Spit-roast BBQ finish. THIS CONVENTION WAS ANOTHER MAJOR SUCCESS FOR ADVENTURERS.

POST-CONVENTION there was – as had happened ten years earlier, a major decline in active membership. A number of long-established members moved on, signalling the end of many years when membership stood at 30-plus. At one stage membership dropped below Charter strength (20). Succeeding Executives worked hard to reverse this trend, and by 1991 the Club was starting to rebuild membership.

1988: Charter member Bob Bimrose became Adventurer's first DTM.

1989: Jock Elliott won the International Speech Contest and became runner-up at Interdistrict, at Brisbane Travelodge.

MEMORABLE MOMENTS OF THE NINETIES

1990: Jock Elliott won District International at Maryborough. As one of nine non-American District winners, he was placed first in the 'speak-off' at World Convention.

Our Charter Anniversary offered something different: A Mock Wedding between Jason N'erdowell and Pittypat Busybody. A night filled with laughter.

1991: The Club hosted a very successful Division Conference at Ridge Hotel.

1992: Adventurers celebrated its TWENTIETH ANNIVERSARY with a Dinner-dance at Ridge Hotel. Most of our Past Presidents were there. My first Club History – 'Yesteryears Adventurers 1972 – 1991' was presented to attendees. 1994: Jock Elliott representing Australia was placed third at the International Speech Contest at the 62nd TM International Convention. A great achievement.

1995: After more than twenty years at the Embassy Hotel changes by Management resulted in our upstairs venue no longer being available. We looked around and moved temporarily to the Masonic Centre in Ann Street and the Stock Exchange Hotel.

1997: Our SILVER ANNIVERSARY (25 years) was held at the Hotel Grand Chancellor on 1st September

1997. Several past members and District Visitors attended.

1999: Heather Rhead was elected District Governor of District 69 AND we moved to a new venue, the Irish Club, where we remain as at present.

THE PAST TEN YEARS

2002: Adventurers celebrated its 30th Anniversary with another big night. A three-course dinner in the Harp Room at the Irish Club. Charter Member Bob Bimrose revisited the Club's history. Many past members and representatives from District attended. In October, the Club also hosted a Successful Area Conference.

These highlights were followed by a period when membership and attendances were low, not infrequently in the single digits. However, our 'core' of committed members managed to hold the fort and we once again are still here. 2006 Monday 20th February: Our 800th Meeting. Our group of 20 again included some past members. The year was further enlivened by a joint meeting with Brisbane Central.

2007: Our 35th Anniversary on Monday 20th August attracted 14 members. We celebrated with coffee and a birthday cake. 1972 member Joanna van der Mark spoke on our past!

2009: In late 2008 we had been delighted to welcome a number of visitors from another Toastmaster club: City Business. Their circumstances were less than ideal: their venue had been closed and they were no longer numerically strong. Our combined meetings went well. A few months later – having decided that City Business was no longer viable – we were very happy to sign up 6/8 experienced members and our Club flourished once again.

2010: On Monday 19th October we celebrated our 900th meeting with a Dinner Meeting. Past members including Caroline Walne, Val Ingham, Jo van Zuylen and Peter Krause relived some of their 'memories' in a special segment.

2011: The 20th of August was a red-letter day for District 69 AND Adventurers as long-standing member Jock Elliott competing at the 80th International Convention in Las Vegas, achieved TM's highest speaking accolade: the Toastmasters World Championship of Public Speaking with a speech entitled 'Just so Lucky'. Six times Jock attempted this – his final reward was sweet indeed.

FORTY YEARS – AUGUST 2012

Our Fortieth Anniversary was celebrated on Monday the 17th of September with a Dinner-Meeting in the Harp Room of the Irish Club. A truly memorable night.

Present were our members and their partners, an impressive array of past members and Past Presidents, also the District Governor and other representatives of District and other Clubs.

ONWARD TO FIFTY!

Much has changed in the forty years since I joined. During the 1970's we had two 15-project Manuals – Basic and Advanced. Club secretaries plied their trade with hard-cover minute books and folders for the paperwork...not a computer in sight. EVP's mailed out programs – typed on a manual typewriter – for every meeting and if the matter was urgent, we picked up a telephone (yes landlines). Finances were forwarded to Headquarters by International Bank Draft. At each meeting a vote was taken for the Best Speaker Awards for the night. Originally, we had Clubs, Areas and Districts. District 69 was formed in 1971. Divisions did not form until much later. Certainly, easier to get to District level in competitions then!

Toastmasters were not just about attending meetings. Visiting other clubs was seen as a good way of broadening our experience, and we frequently had visitors to our club. I remember BBQs at members' places, an afternoon around the swimming Pool of St. Lucia Uni, the occasional theatre or movie – 'Red October' followed by a Champagne and Chicken supper. Insurance and 'duty of care' considerations would today make such activities more difficult to organize. District Conventions were a highlight of the year; we might get half of the club or better attending. The one at Cherribah was rudely interrupted by the drought-breaking rains of 1983. We were advised to leave at once or have an indefinite stay. Contests fortunately had just finished. Buses materialised out of nowhere. I still remember the magnificent spectacle of the waterfalls pouring down Cunningham's Gap as the radio spoke of blocked roads and over-flowing dams. Quite an adventure! A lovely venue, so in 1985 we decided on a social weekend there – the one and only time in my life I got onto a golf-course. Activities such of these provided valuable bonding amongst members – and great memories to look back on.

The faces of the past have now been replaced by those of the present. What of the future? We are still a sound, though perhaps too small a club – however small meetings often bring out the best in members. We enjoy our Christmas parties and our Anniversary celebrations. We are fortunate in still having a strong core group of members – but they are ageing. One challenge is finding and

retaining new members able and willing to put sufficient time into Toastmasters. Today the trend is for short-term club involvement before 'moving on'. The other challenge we face is to reverse the trend of members disappearing once that 'magic' CTM is attained. For we need the involvement of experienced members both for mentoring newcomers and also to help maintain pride in the history and tradition of this great organization. If we can maintain enthusiasm and build up membership – our future is bright indeed.

May I conclude this little History on the note that I derived great benefit and pleasure from my forty years in Toastmasters and I can only sincerely wish the same for you all!

How did it begin?

In the beginning a number of interested people decided a Toastmasters Club was needed in the Caboolture Area. On Tuesday, 20th May 1986, a demonstration meeting was held at the Library of the Caboolture State High School to gauge the general interest in forming a club within the area.

A further meeting was held on the 26th of May at the same location, and at that meeting a motion was put and carried that a Toastmasters club be formed at Caboolture.

At the fourth meeting on 23rd June, the Standard Constitution and By-Laws of Toastmasters International were adopted. The first office bearers were elected under the supervision of District 69 Governor Dianne Riddell DTM.

The 8th meeting held on 6th September featured the Charter dinner at the Caboolture Steak House (was located opposite K Mart) where the guests include Peter Slipper MLA, Shire Chairman Alex Barr, District 69 Governor Clare Murphy, Immediate Past District Governor Dianne Riddell, and Communications Lt Gov. Andrew Rankin ATM.

Meetings thereafter were held at several locations, finally finding the Top Hat Restaurant in March 1988 as somewhat permanent meeting place.

The story continues!!!!!!!

HALF CENTURY: Joe Abbott of Toastmasters is set to celebrate 50 years of the club's existence in Dalby.

PHOTO: CONTRIBUTED

A toast to 50 years of higher confidence

FOR the past 50 years, the Dalby Toastmasters Club has been teaching the tricks of the public speaking trade to members from all walks of life, from local farriers, lawyers and stock agents to accountants, machinery manufacturers and school teachers.

Toastmasters clubs provide self-paced learning environments where local members help each other to improve their public speaking and leadership skills and in turn to build their self-confidence.

The organisation was founded in America in 1924, and there are now more than 300,000 members in 15,000 clubs in cities and

country towns all over the world.

The Dalby club, founded in 1966, is one of the oldest continuously operating clubs in Australia.

Twenty-eight members joined the club at its original charter meeting in 1966, held at the Mon Reve Hall in Palmer St in December.

The 64 people in attendance included the then mayor of Dalby, Alderman RC (Clive) Drew MBE, the president of the Darling Downs

Toastmasters club Bob Alexander, the Area 101 president Gordon O'Connor and the Dalby Club charter president Justin O'Sullivan.

Fifty years later, the Dalby

Toastmasters Club will celebrate its golden anniversary with a special meeting on Saturday.

It will be as much a reunion as an anniversary, with past members being urged to attend to celebrate the club's half-a-century of history.

Also attending will be one of Australia's highest-ranking Toastmasters, Joe Abbott, who also happens to be a sheep producer from just down the road near Tara.

The Coolalee stud sheep breeder was recently elected by his peers to lead Toastmasters District 69, a vast area which takes in all of Queensland, the Northern

Territory, Papua New Guinea and part of New South Wales.

Joe and his wife Jenny, also an active Toastmaster, have just returned from the Toastmasters International Convention in Washington, USA, where they witnessed the inauguration of Brisbane's Mike Storkey as Toastmasters International President.

Mr Storkey is only the second Australian to lead the international Toastmasters organisation in its 92-year history.

The Dalby Toastmasters Club's 50th anniversary and reunion dinner will be held at the Russell Tavern, 1

Cunningham St, Dalby, from 7pm on Saturday, September 10.

The club is putting a call out to all former members to attend, with Toastmasters from far and wide expected to come together for the special occasion to celebrate, reminisce and cherish memories of one of the oldest Toastmasters clubs in Australia.

The Dalby Toastmasters Club meets at 7pm on the first Tuesday of each month at the Myall Youth and Community Network Centre.

For more information about the club or the dinner phone club president Andrew Smith on 0479 042 650.

President's message

We cannot forget the year started with a different president. Toastmaster Jeremy Freyburg took on the role and, for a period of time, fulfilled his commitment. However, due to unforeseen circumstances, Jeremy had to step down, at which time I took over from him.

I have been fortunate to have such an experienced executive. In whatever area I fell short there was someone to step in and offer assistance. This has been greatly appreciated.

What a special time to be president of the club. For the past six months I've been looking forward to, and been part of the planning committee for our 50th anniversary. It is such a milestone in the journey of Darling Downs Toastmasters Club. During these 50 years, the club has gone through some lean years, where just a few toastmasters kept the club alive, to times when the club has been extremely strong, as we are now with 31 members.

There are so many people who've stepped up to bring this celebration to fruition. On behalf of all the members, I should like to say thank you.

Our focus over the past 12 months has been to ensure we have an inclusive club. To keep our members interested and focused; to welcome new members and to ensure our long term members are acknowledged and challenged. This is a balance which I feel we have achieved. Each member has been encouraged to continue along the path of achieving competencies; to attend training and recently we had six members attend the District 69 Convention at the Twin Towns Convention Centre, Tweed Heads.

My thanks go to all those who assisted me in my time as president, and for you all to know how much I have appreciated your faith and confidence in me.

Suzie Ross
President 2012/13

## History of a Club

Ralph Smedley Had a Vision and to that aim Fraser Coast Toastmasters has stayed focused.  
(Date of this publication is unknown)

**History of Fraser Coast Toastmasters Club**  
number 6648 Area 10 Central Division District 69

On the first meeting on 4th August 1997 the club went into formation with 11 people at that meeting.

We became a chartered club on the 1st June 1998 and our Chartered dinner was held at the Hervey Bay RSL club on the 29th June 1998 at 7pm. There was 56 guests, visitors, and Toastmasters present that night.

Attendance on that night was; District 69 Governor Mike Storkey DTM, Northern Division Governor Lesley Storkey DTM, Central Division Governor Laurie Smith ATM and his wife Muriel Smith DTM who was President of the Bundaberg Club and Ivan Schultz ATM and his wife Lois.

From the Hervey Bay club came Heather Gillieatt, Steve Hill, John Acutt, Eva Munzel, Gordon Price, Michael McGuinness,

From the Maryborough club came Ruth Preston, Irene Saurenaun

Weblec club were represented Maria Fuche, Ken White, Tony and Pat Pitt,

Bundaberg club sent Olwyn Williamson, Veronica Kirby and Barbara Fulker.

Many other visitors attended like Kathryn Lilley, Jan Weller, Margaret Winters and George Ayres.

OUR Chartered Members were Kate Ayres Atm, Carolyn Broadfield, Steve Bardini, Barbara Cockburn, Ken Cramer, Paul Deakin, Tony Dousi, Coral-lea Edwards, Peter Furey, James Grant, Mike Heironymous, Robyn Hope, Liz Grant, Rhonda Murray, Ivan Schultz, Margaret Walker, Lottie Werner, Phil Weller, Janice Warren, Dale Wynn, and Fred Winters.

Our 1st meeting was held at the Neighbourhood Centre in Pialba then we moved to the University of South Queensland ,Pialba onto the Salvation Hall in Torquay to our most recent No 4 Crown St Torquay soon to be the Hervey Bay RSL. Many reasons for moving and different prices like free to \$20.00 and \$30.00 have been reasonable but with only a few attending members this became very difficult to sometimes maintain. A set fee of \$4.00 was voted in and charged to all members and this made the members more mindful of their obligations with their semi-annuals paid by the club and two free dinners paid for, the members knew they would get something for their money. The attendance rose to almost nil absentees.

Russ Walkington presents Charter

Russ Walkington, Lynne Coonan, G. BOYLE SMITH, Maria Murray 1946

### **A Brief History of Gold Coast Toastmasters Club**

In 1969 when Gold Coast club chartered, Toastmasters was quite different from the way it is today. There were no Divisions or even Districts in Australia then and Toastmasters was administered by the Territorial Council of Australia (TCA) in Sydney. When Gold Coast was chartered on 27 October 1969, it was part of the TCA. On 1st July 1971 the TCA was re-aligned to become District 69 with 26 Clubs north of 30th parallel and District 70 with 45 clubs in the rest of Australia. Russ Walkington, founder of Gold Coast, and many other clubs, became the very first District 69 Governor.

Before that, our club was conceived at a meeting of the TCA in Sydney. With only four clubs in the whole of Australia, Russ and his team set out on an expansion program, establishing a new club every fortnight in Sydney. Looking north they decided the Gold Coast should have club, even though no one up here knew much about Toastmasters back then.

Gold Coast was in formation for several years before reaching that elusive goal of 20 members. Eventually the club chartered in 1969 and Sir Bruce Small, Mayor of the Gold Coast, officiated at the Charter dinner.

One Charter member, Basil Coates, has been a continuous member for the entire 43 years. Members enjoy hearing Basil's stories about the early days of Toastmasters on the Gold Coast, as well as stories about his travels around Australia and visits to other Toastmasters clubs.

In 1971 Area 6 was formed with Gold Coast and two other clubs, Jacaranda in Grafton and Summerland in Lismore, both in NSW. Gold Coast has remained in Area 6 ever since, although the other clubs in the Area have changed many times over the years. In 1985 there were 7 clubs in the Area, 3 in Qld and 4 in NSW, ranging from Southport to Ballina. The first clubs sponsored by Gold Coast were Twin Towns and Southport and Gold Coast has helped establish many other clubs on the Coast. In 1977 Divisions were introduced and Gold Coast was in Division 3 for the next 12 years, until it became Southern Division, as it is now.

Apart from the difference in administration, there was another significant difference in Toastmasters when the club chartered, for until 1973 it was an 'all male' organisation. Vida Hunt

was the first female member of Gold Coast Toastmasters, and she became President of the club in 1979.

The Club hosted the National Convention of 1971, which is still regarded as one of the best Conventions ever. In 1972 Gold Coast hosted the first District 69 Convention. On that occasion the club entertained the World President of Toastmasters International. Gold Coast hosted the District 69 Convention again in 1976, 1985 and 2000.

With the name Gold Coast, the club has no ties to any particular part of the Coast but is free to meet anywhere in this City. One of the first meetings was in Coolangatta and for many years the club met at various venues in Burleigh Heads. The move to our present meeting place at Mermaid Beach in 2003 coincided with us having a website for the first time. These two events gave a welcome boost to our membership and ever since we have been above charter strength, often with over 30 members. In 2010-2011 Gold Coast was the largest club in District 69 with well over 40 members.

In 2009 Gold Coast celebrated its 40th Anniversary with a dinner at the Rugby Leagues Club in Broadbeach Waters. We welcomed many distinguished guests including District 69 Governor Coral McVean and our founder Russ Walkington, who now lives on the Gold Coast.

12 months later we returned to that venue to celebrate our 1000th meeting, with District Governor Bruce George attending. Our guest speaker was Mark Hunter, Toastmasters World Champion of Public Speaking 2009. When our second speaker was unable to attend, Russ Walkington stepped in to give us another inspiring speech, which demonstrated the lasting benefits of membership in Toastmasters.

There have been times when Gold Coast has had problems with membership, like many other clubs, but there has always been a strong core of dedicated members who have brought the club through these difficult times. The importance of listening to our members, knowing their goals and what they want on the programs, combined with our emphasis on humour in meetings, encourage members to keep attending our great Gold Coast Toastmasters Club.

*Susann Treston, on the 2nd of March wrote:*

It appears that Club records were lost in Cyclone Larry, so it appears that there is not much history preserved. I hope the article below is at least something.

On September 15th 2009 the club celebrated its 40th birthday with a grand lunch meeting at Rosco's upstairs function room. Current and many past members attended and indeed spoke. Whereas some older members may well remember, most of the club's records were swallowed up by the Johnstone River after Cyclone Larry. Current Toastmasters have been researching the remaining minutes and have found that the club was strictly for men in the beginning with their wives allowed to "yak in the breezeways" so long as they cooked and served refreshments.

The first president was Ralph Harland but since Toastmasters elect a new president every year, the position has been held by many men and later women because the fairer sex was eventually let in, in the mid 70's with Alma Smith, Norma Stewart and Connie Riera being the first three. Mrs Riera remains an active member, still able to inspire and mentor newcomers.

Some presidents believed in doing everything themselves and one is recorded to have said that "all that is needed is an executive committee of two where one does not turn up". Other presidents have taken the view that he should do nothing and numerous committees should run the club.

It is also interesting to note that neckties had to be worn to meetings until finally it was considered excusable not to in the summer months.

Meetings were originally held at the Queen's Hotel with dinners incorporated. There are motions passed, according to old records, as a consequence of the excessive cost of the meals which were \$1.50 at the time. It was thought \$1.20 ought to be enough.

*A Speech by Bette Howard on the club's 30th Anniversary:*

24/9/2013 – 30 Anniversary Dinner for Ipswich Toastmasters Club, 30 years and it doesn't seem a day to long.... In 1983 I was a member of a music group led by Joyce Rogers. Suddenly she mentioned "Toastmasters" and I should join because I liked to talk a lot. At home I quickly reached for my trusty dictionary and found the meaning to be an MC or proposer of a toast. I could do that and have a few drinks of water of course.

Joyce was a member of MDI, Brisbane and had been asked to start a new Ipswich Toastmaster to replace the former club from the 60's and early 70's. I then became a financial member by 28 July 1983 and a charter member on 26 September 2013.

API Brisbane was our sponsor club, led by Ivy Foster, Arthur Gowrie, Dorothy Egan, Ted Burton and daughter Judith and Deidre Lavarack who became a sponsor with Joyce. Our demo meeting, held at the Humanities Building, knew enough interested community members to know we WOULD have a vital club. Josie Wright, a former Ipswich Toastmaster, was excited to hear those magic words IPSWICH TOASTMASTERS.

After 10 years when the former club had disbanded when their meeting place, the North Star Hotel, was demolished to make way for the Ipswich Mall, a management Committee was soon established with a former South Epican TM, Mike Burdette, the President. Other roles were quickly filled except for Secretary. Arthur Gowrie spied Joan Scott trying to hide behind one of the pillars in the auditorium; in a loud voice he announced Joan Scott will be our secretary. Joan loved TM, but as Secretary she gained the dubious honour of the most "Amended Secretary" – even the amendments had to be amended! I can assure you there was lots of laughter at our business meetings!!

Our first TM meeting then took place at the Australia Post Institute rooms at the back of the old Ipswich Post Office. You had to be agile in those days to climb up onto the loading dock! Ivy always brought along her little fold up table lectern and when we moved to Claremont Special School, Garret Adams made the beautiful wooden lectern we still use today.

Early membership fluctuated from 30 to 36. Even though we were a very social and fun club, you had trouble getting on the program to complete the 15 speeches in the Competent Toastmaster Manual. Club members regularly visited Wynnum, Gatton, Stanthorpe, Warwick, MDI, Satellite, Garden City and others. At Darling Downs Club, we broke down the strict barriers of those mountain men. However, it took quite a few years for them to admit female members.

Early club members also included Bruce and Judy Moulton, Rob, Pamela, Duncan and Gwenda Robson, Dani Rogers, Noelene Lappin, John O'Sullivan, Jenny Eckert, Dudley Cowan, Lance Thompson, Bill Steentsma. Les Miller was Club Treasurer for many years.

In 1973 Colin Broom won the District 69 International Speech Contest and in our new club, we have had many brilliant speakers to follow in his footsteps. Finalists have included Joyce and Dani Rogers, Dudley Cowan, Lyle Thompson, and me. District 69 champions have been Dani Rogers (twice I think), Dudley Cowan (Humorous), Lyle Thompson (Table Topics).

In 1987 our club sponsored Rosewood Toastmasters of which Noelene and I were sponsors and Josie and Joyce were mentors.

Since becoming a Toastmaster my life has continued to be fantastic, opening many doors. It has been a pleasure to have shared so many years of my life with many of you as very special friends. I wish Ipswich Toastmasters Club and members the success of the past and present to carry on into a fabulous future.

## HISTORY OF THE CLUB

As supplied by Marie Westwood , President of Lockyer Valley on 1/12/2013

On Tuesday, June 17, 2008, at Gatton, the Rosewood Toastmasters held a demonstration Toastmasters meeting and a form to apply to organise a Toastmasters Club was distributed.

The following week on June 26 members of the Lockyer Valley community started a six-week Speechcraft course which was well attended and finished on July 31.

August 7 saw the formation of a Toastmasters Club in the Lockyer Valley called The Lockyer Valley Toastmasters Club.

On Friday 15 August, the then District Governor, Lesley Storkey, presented the Lockyer Valley Toastmasters Charter papers up on stage at the Toastmasters International Convention in America to form the first new Toastmasters Club in the world for the Toastmasters 2008/2009 year.

The club was officially chartered on September 1st, 2008.

Records confirm that there was a Toastmasters Club in Gatton from August 1983 to April 1996. Four original members of this club attended the charter dinner. They were Eric and Valerie Halmer and Barry and Eileen Prior.

May we all live in harmony for the betterment of Toastmasters.

We are pleased you have made the commitment to attend a meeting of the Lockyer Valley Toastmasters Club. We hope you will be one of the team players and that you will be happy in our club environment. Let us all remember the Club Promise and keep the club healthy and the spirit alive.

### A Brief History of Toastmasters in the Mackay Region LYNNE O'NEILL

This evening we are celebrating the establishment of District 69 fifty years ago in 1971.

However, Toastmasters was already active in Mackay at that time. Coolabah Toastmaster Club was chartered in Mackay in 1961 and was the second Toastmaster club in Queensland. This followed only four years after the first Toastmaster club in Australia, Wollongong, was chartered in 1957.

As with all Toastmasters clubs in those days, the Coolabah Club was men only. The first mixed Toastmasters club, Mackay Club, was chartered in 1977. Coolabah Club closed in 1984.

Other Toastmasters clubs followed: Pioneer in 1985, Eyeopener and Dysart in 1986. The Dysart club changed its name to Coalfields in 1994 and then in 2002 became Calen Canefields. All these clubs are still active. The latest club is Mackay Regional Council Club which chartered this year.

There have been other Toastmasters clubs in the Mackay region: Gateway (which was in Sarina) 1981-2005, Pioneer Valley 1992-2008, Moranbah 1995-1999, Toast of the Town 1996-2005, CQU 1999-2008, Mackay City Council 2003-2005.

Several Mackay Toastmasters have filled the position of Northern Division Governor (now Director) and some have held other District Offices.

Dianne Riddell was District Governor in 1985/86. She was a charter member of Mackay, Pioneer and Eyeopener clubs.

Sandra Field was Magazine Editor – 2000/01

Brian O'Neill was District Secretary – 2010/11

**Subject:** Formation of QR Toastmasters Club

Dear John

Thank you for your letter of 5 October asking for information about the formation of our Club.

In early 2005 I began looking for a Toastmasters Club within the Brisbane CBD that met either during lunch hour or early after hours. The only clubs I could find were Cororate with restricted membership which got me wondering why Qld Rail (QR), with a staff of over 13,500, did not have a corporate club.

I asked the question and the response I received was "go and build one".

Since I wasn't even a Toastmaster my first important task was to join a suburban club so that I could get an understanding of how Toastmasters worked. I joined Riverside Club in Area 20 (Bulimba).

Shortly afterwards I contacted District 69 for information about building a corporate club and had email discussions with Trish Springsteen, Sandra Simpson and Bob Simpson who sent me a package on Building a Toastmasters Club.

I approached QR senior management and wrote a business case submitting it to the Executive General Manager of Human Resources who agreed to support the building of the club as part of their Leadership Initiative and promised funds to cover the cost involved.

Trish Springsteen also mentioned that there was at least one employee within QR who had a long time association with Toastmasters and she introduced me to Nev Heales who agreed it was a great idea and agreed to help organise the Demonstration Meeting.

The demo meeting was held on 2 November 2005 and we were able to get some senior managers to attend. From this meeting we very soon had enough members to form the club.

I have attached an information sheet on the club which sets out times/dates of meetings and club executive and mentors.

If you require any further information, please don't hesitate to call me or one of the other club executive.

Regards,

### **A Short History of On Track Toastmasters Club #843212**

On Track was chartered in March 2006 through the enthusiastic efforts of Stephanie Taylor who became our inaugural President. Stephanie was searching for a Project to undertake as a "Women in Business" participant for which she was nominated by her QR (Queensland Rail) Manager.

Formation of a QR Toastmasters Club was one idea in a long list provided by the then QR CEO Vince O'Rourke. Stephanie sort out and enlisted the support of Nev Heales, Regional Manager Network Infrastructure as a coach and mentor for this project.

Stephanie excelled all expectations with this project and chartered the QR Toastmasters Club with 22 members within six months of commencement. The sponsoring Clubs were Boeing # 6666 a Corporate Club and Pines #669 a Community Club.

From the onset QR Toastmasters Club had the vision to be a CBD based club for Employees and Friends of QR and membership was open to all albeit by invitation. The support and endorsement of QR Management in this was instrumental in giving the Club the necessary autonomy to continue and prosper through the tumultuous period of Government Privatisation, change and restructure.

QR Toastmasters met in the Training Centre of RC2 in Turbot Street until 2011 when it moved to Eagle Street to the new Aurizon Holdings (formerly QR National) premises. A fresh profile of members grew with increasing visitors from Financial and Legal sectors joining the existing rail employees in the new locality.

A name change ensued and we became "On Track Toastmasters Club" in keeping with the changed focus of the business environment in which we operated. In June 2018 Aurizon Holdings moved to 900 Ann Street Fortitude Valley and so did we. All our club artifacts including our Charter Certificate and meeting equipment were lost in this move and more seriously our membership roster was seriously impacted.

### Our Toastmasters never lost for words

Public speaking often tops the list of number one fears, and finding the right words for the right occasion can be a daunting prospect. But there's a new club at Powerlink that sees only opportunity where the rest of us see fear. Member Brian McMahon tells us about the new Toastmasters club:

The newly-formed Powerlink Toastmasters Club received its Charter at a meeting attended by over 40 members and guests on 21 July, including Powerlink Chief Executive Gordon Jardine and Toastmasters Immediate Past District Governor Coral McVean.

The ranks of Powerlink staff were bolstered by a strong attendance of Toastmasters from other clubs acting as sponsors and mentors, and performing the Charter ceremony. Several of the Toastmasters and their sponsors made speeches at the event, and after hearing their words we were left in no doubt that rising to the challenge of speaking in public can be a big buzz for many of us. It certainly helps with those occasions in business and private life when we need to speak to perfect strangers.

Immediate Past District Governor Coral McVean charmed the audience with her warm welcome to the Powerlink Toastmasters and made the presentation of the Club Charter to our President, Denise D'Alton.

Coral officially installed the executive officers of the Club (Denise D'Alton, Steve Martin, Brian McMahon, Murray Abel and Murray Dawson) and presented membership certificates to all members. Past District Governor Barrie Fuller, who is also a Club Sponsor, presented Denise and Murray Dawson

with the official Club banner.

Denise D'Alton said the level of commitment already shown by club members was proof that Powerlink staff are looking forward to continued growth in personal learning and development.

Notwithstanding the serious business at hand, the Toastmasters still made time for some fun. Keith Callaghan acted as Joke-master and soon had his audience laughing at the benefits of black and white in the TVs of the old days.

Some of the other Toastmasters had equally memorable sentiments, with some standouts including Debbie Moore's heartfelt answer to the question 'what is a Toastmaster?' and how Toastmasters helped her achieve her goal of graduating from a Law degree.

Another personal perspective on Toastmasters was provided by Steve Martin during his testimonial on the impact of Toastmasters membership over a considerable portion of his adult life. His summary of Toastmasters as "Gym for your mind and communication skills" rang true with everyone present.

In his comments following the ceremony, Powerlink CE Gordon Jardine strongly encouraged the Powerlink Toastmasters to excel in their presentations and keep audiences positively engaged. "I also wish you the ability to take potential problems and treat them as opportunities for making a compelling point of difference in dealing with others."

Powerlink Toastmasters meet every second Wednesday and new members are welcome to join. Please contact

Denise D'Alton on extension 2412 for more information.

# Rockhampton Boomerang Toastmasters Club #1791

Club originally chartered as 'Quaymen Toastmasters', after Quay Street where the club first met. After the original Boomerang Club #879 died and Quayman club changed its name to Rockhampton Boomerang #1791, Peter McCarthy PDG gave the original banner to #1791. Hence the patch presently over the club number." (This patched banner may not be in use today as Toastmasters International rebranded in August 2011)

#### **JOHN SCOULLER – CHARTER MEMBER OF SANDGATE TOASTMASTERS CLUB**

John has been a Toastmaster International for 47 years and is the sole remaining Charter member of Sandgate Toastmasters Club.

District 69 Governor 1983/84, John led the district to Distinguished District status for the first time since its formation in 1971 achieving 3rd place in the world and President's Distinguished District status. District 69 was the first District outside the North American continent in the then 62 years of Toastmasters to achieve President's Distinguished District.

He is a keen student of history which probably prompted him to accept the position of District Historian from District Governor Trish Springsteen in July 2006 which position he held for 5 years.

John has three grown children and five grandchildren and three great grandchildren. He and his wife Doris were long time residents of Geebung before moving to the Fig Tree Retirement Village, Murrumba Downs. Sadly Doris passed away on the 11<sup>th</sup> November. We extend our deepest sympathy to John.

### **JOHN SCOULLER – CHARTER MEMBER OF SANDGATE TOASTMASTERS CLUB**

John has been a member of Toastmasters International for 47 years and is the sole remaining Charter member of Sandgate Toastmasters Club.

District 69 Governor 1983/84, John led the district to Distinguished District status for the first time since its formation in 1971 achieving 3rd place in the world and President's Distinguished District status. District 69 was the first District outside the North American continent in the then 62 years of Toastmasters to achieve President's Distinguished District. He is a keen student of history which probably prompted him to accept the position of District Historian from District Governor Trish Springsteen in July 2006 which position he held for 5 years.

John has three grown children and five grandchildren and three great grandchildren. He and his wife Doris were long time residents of Geebung before moving to the Fig Tree Retirement Village, Murrumba Downs. Sadly Doris passed away on the 11th November. We extend our deepest sympathy to John.

John's experience in Toastmasters:

District 69 Treasurer – 1981/1982

District 69 Governor – 1983/1984 – President's Distinguished District – No 3 in world.

Toastmasters Mission sounds good to you and me

They could talk their way onto Oprah  
Glory Glory Hallelujah  
This is their Waterloo

Constitutions, articles and bylaws by the score,  
Rules and regulations like you've never seen before  
Vice presidents and Sargents, office bearers that astound  
Parliamentary and hidebound

Glory Glory Hallelujoir  
They've got a certain je ne sais quoi  
Glory Glory Hallelujoir  
Traditions linger on

The annual world championship is held in the US  
They come from all around the world, the brightest and the best  
So why does the winner always seem to be a Yank  
Gerrymander is so rank

Glory Glory Halleluja  
So much for all the hoopla
